Alma Mater

Where Chilhowee's lofty mountains
Pierce the southern blue,
Proudly stands our Alma Mater,
Noble, grand, and true.

Chorus

Orange, Garnet, float forever,
Ensign of our hill!
Hail to thee, our Alma Mater,
Hail to Maryville!

As thy hilltop crowned with cedars
Ever green appears,
So thy memory fresh shall linger
Through life's smiles and tears.

Lift the chorus, wake the echoes,
Make the welkin ring!
Hail the queen of all the highlands!
Loud her praises sing!

On Highlanders

(Words and Music by Charles Huffman, '49)

On Highlanders down the field,
Rolling up a high score!
Tear into the end zone,
Smash on through that line,
Highlanders!

Send a rousing cheer on high
And our boys will shine,
Come on and fight, fight, fight!
Come on and fight, fight, fight!
For dear old Maryville!

DR. RALPH W. LLOYD
President of Maryville College

WELCOME FROM YOUR PRESIDENT

Each new college year brings both sadness and joy to those of us who are charged with the continuing task of administration and teaching at Maryville College. We always have a sense of sadness because the seniors of last year whom we have come to know and to value are absent. But we find a genuine interest and joy in the returning of those in the other classes and in the first coming of several hundred new students.

To all who come I extend welcome and good wishes. I hope that the college year of 1950-1951 will be a truly successful one for the College and for each individual associated with it. This hope can be fulfilled only through the earnest and wise efforts of the College and its staff on the one hand and of students on the other. There is a vast difference in the standards and earnestness which different students bring to college. In welcoming each of you I commend to you the higher, not the lower, standards you see among your fellow students.

The magnificent new Fine Arts Center and other factors will make this a year of interest and progress into which we welcome you.

RALPH WALDO LLOYD
President of Maryville College

Traditions ✦ ✦

A college campus would hardly be complete without its own particular set of traditions. Maryville's traditions will come to mean something special to you as they have to the rest of us. These are the things—little and big—which will long be remembered and cherished as representing your four college years.

When you first arrive on campus, you will think that college consists chiefly of standing in line. Don't be discouraged, however, for after the first week everyone has finally stormed all the necessary offices and has found his way into a well-filled lecture room. One line which is somewhat different in dress and procedure from all the rest leads to the FACULTY RECEPTION which is held during the first week of school. Your dress is formal; your handshake firm (at first, anyway); and your smile, your Ipana brightest. Here you will meet all the faculty whom you will soon know better as time goes on.

You will certainly know it's RUSH WEEK when the brother and sister societies team up to present clever programs for their respective membership drives. Last year Theta Epsilon's program featured Billy Rose's Diamond Horseshoe, complete with soft lights, sweet music, Billy Rose and Diamond Lil. Bainonian entertained during its Rush Week by returnng to Maryville's Scotch ancestors for the Week of the Highland Fling. Be sure to pledge your whole-hearted support to one of these organizations.

It won't be long before you discover the well-

worn bit of pavement surrounding the main campus—CIRCLE DRIVE. After the evening meal until 7:15 (7:00 on Sundays) many enjoy this pleasant walk.

Soon the big night of the week arrives. Tuesday night or TOWN NITE is the time for you and your date to go skating or bowling or to enjoy a movie. You'll also have time for a hamburger and French fries before signing in at the dorm at 10:00.

On other week-day nights as well as during the day you may get that coke and sandwich at the STUDENT CENTER. This building houses the attractive lounge, recreation center, and Y-STORE which is open at various hours during the day and night. It's also a good place to stop on the way home from a big game or any other Saturday night activity.

For a program of inspiration to start the new week, attend VESPERS which is held each Sunday night at 7:00 in the library. A guest speaker and the music of the outstanding Vesper Choir closes the Sunday program with a tone of quiet dignity and worship.

The BELL in Anderson tower would hardly seem to be in the tradition category, but there it belongs. Throughout the day its ringing reminds all of meals and classes, and after each victorious football game, it heralds the good news.

You will have little trouble falling into the Maryville tradition of FRIENDLINESS. We are all proud of this trait and wish to continue it.

Until last year the College ARTIST'S SERIES was discontinued because of the loss of the chapel. By using the Alumni Gym for the concert hall the series of noted guest artists was resumed. We are looking forward to another year of outstanding performances.

On FOUNDER'S and HOMECOMING DAY a lovely senior girl is elected to reign as queen.

Dorms are colorfully decorated to receive the alumni who arrive in great numbers. The morning is marked by a dignified chapel service commemorating the College's founding, and in the evening the Highlanders meet one of their toughest foes on our home gridiron.

Thanksgiving day is one of general festivity on campus. It is the time for the annual BARN-WARMING event which is THE big show of the fall. It is planned by both Y organizations and features the best talent the campus can produce. Reigning monarchs are the King and Queen chosen from the senior class and their attendants representing the other classes.

And then Christmas is soon here. Before vacation everyone looks forward to the annual presentation of Handel's MESSIAH. Yours can be one of the hundreds of voices which present this inspiring oratorio.

Each February the college interrupts its program a few hours each day for a week for the FEBRUARY MEETINGS. These religious services are held each morning and evening and give a renewed spiritual strength for the weeks to come.

February also marks the College's drive for its FRED HOPE FUND. This fund was established as a tribute to one of Maryville's outstanding graduates—Fred Hope who gave his life serving in Africa. Today this fund enables one of our fellow students to work in the foreign mission field. You will want to contribute to this worthwhile drive.

In the interest of the WORLD STUDENT SERVICE FUND YMCA has sponsored a MINSTREL SHOW each spring for the past three years. This rollicking entertainment is enjoyed by many each year.

The EASTER SUNRISE SERVICE held in the

College Woods at dawn is one of true natural beauty. As the sun peeps over the Smokies, everyone thrills to the choir's singing "Alleluia, Christ is Risen."

Each spring the old and new Y cabinets hold the yearly Y RETREAT. In a picturesque mountain setting these groups plan the activities for the coming year in Y.

OPEN HOUSE is the time to see how the other half lives. Everyone displays his room to best advantage. This occasion is preceded by exhaustive house cleaning which leaves everyone limp until the next time.

The big musical program of the spring is SPRINGTIME SERENADE which was inaugurated three years ago by the All-Girl Choir and Men's Glee Club. Framed in a lovely stage setting, these groups present a fascinating program of musical numbers from popular operettas accompanied by twin pianos and Mr. Hughes at the console of the electric organ.

Our lovely amphitheatre in the College Woods has become a scene from Uncle Remus and Alice in Wonderland for the annual MAY DAY PAGEANT. Being May Day Queen is a cherished honor for some senior girl. Her attendants are chosen from the other classes and reign with her over the festivities.

COMMENCEMENT time is both happy and sad. Classes and exams are over, but last goodbyes are difficult to say to close friends who may not be seen for many years. After the final services, we go away feeling it is now our College, and we have become a part of its life and personality just as it has also become a part of ours.

Dormitory Life

One of the biggest adjustments you'll have to make at college is that of living with a dorm full of people. This will require far more patience, understanding, and consideration than ordinarily exercised in a home where only three or four people are living together. Remember that the rights of one person are limited so that the rights of another person or a group may be respected. In order to help you have a happy and enjoyable dormitory life we are jotting down a few suggestions.

You may enjoy living in a messy room, but to your roommate and others it may be obnoxious. Do not wait until time for the yearly Open House to clean up your room.

Every night many people in the dorm want and need to do some concentrated studying. Your consideration in observing closed study hours, or your neighbor's "busy signs," as well as refraining from loud talking, door-slamming, and hall-yelling, will be deeply appreciated. You too will appreciate these courtesies on your neighbor's part.

Everyone who wants to listen to a radio has one of his own, so it won't be necessary for you to play yours loud enough for the people down the hall to hear.

Guests and visitors often come at the most unexpected times. You will always want to be properly clad when in the halls; otherwise it can be very embarrassing for an outsider to meet you.

Nothing can brand you quicker than being a perpetual "griper" or always making "catty" remarks about the faculty or other students. Remember sincerity and cheerfulness are "musts" in making and keeping friends.

Let's not forget that your "living room" in the dorm belongs to many other people, too. Your conduct in the parlors and public rooms should be such that others will feel both free and welcome to come in at all times.

But if you are not interested in making friends, then you'll

—Monopolize the telephone,

—Sweep dirt into the halls and leave it there,

—Wash your clothes in the bathrooms during the "busy" hours,

—Barge into your friends' rooms during study hours and waste their time,

—Get up earlier than most people in the morning and make a general disturbance,

—Use the ironing boards on the floors to do your week's ironing,

—Never clean the tubs, basins, etc., after using,

—Take supplies from the medicine chest and leave them in your room.

DORMITORY PROCEDURE
ALL DORMITORIES

Alterations to Rooms

1. Any plans for alterations or improvements in your room must be approved in advance by the Head of your Dormitory, after consultation with the Director of Maintenance.

2. Students are held responsible for the condition of their room and furniture.

3. No furniture should be altered or moved from rooms or lobbies.

4. Each student must furnish and use a mattress pad.

Electrical Equipment

1. Since the overloading of electrical circuit is a dangerous fire hazard, clocks, razors, lamps, and radios are the only electrical equipment used in dormitory rooms, and these only after the prescribed fees have been paid (see below).

2. There shall be no meddling with the electrical system.

3. Each student shall be responsible for knowing when he is using more than allowed current.

Lights

1. Standard lighting equipment in each room consists of one drop-cord (and one wall-plug in the men's dormitory) and one 150-watt light. For each 50 watts above this allotted amount, a fee of $2.50 each semester will be charged, payable at the Treasurer's Office during registration ($3.50 if late).

2. Lights must be out from 11:00 p. m. until 6:00 a. m. except that they may be used occasionally during this time for study only. Warn-

ing lights will be flashed as arranged in the dormitories.

3. Students are asked to turn out lights when leaving their rooms.

Radios

1. A fee of $2.50 each semester, payable at the Treasurer's Office during registration, is charged for each radio. Application for permit is made to the Head of Dormitory. If payment is late, the fee is $3.50.

2. Radios must not be played between 11:00 p. m. and 6:00 a. m.

Study

1. Dormitories are to be kept quiet for study and rest, and in consideration of others, from 8:00 a. m. until 3:30 p. m., and from 7:15 p. m. until 6:00 a. m. "Closed" study hours are maintained in the freshman-sophomore dormitories from 7:30 p. m. until 9:30 p. m.

2. You may study in the Library throughout the day and each weekday evening, except Saturday, from 7:00 until 10:00 p. m. Women students after 7:00 p. m. must sign out and in on the dormitory sign-out sheets.

Illness

1. In case of illness, notify the Head of your Dormitory at once.

2. Forms for having absences excused must be approved within two days after returning to classes, otherwise the excuses will not be honored at the Personnel Office.

Infirmary

1. If you go to the College infirmary as a patient, arrangements should be made through

your Housemother. You should take your own pajamas, towel, washrag, etc.

2. The infirmary clinic is open each week day as follows:

10:00 — 11:00 a. m.
4:00 — 5:00 p. m.

(The doctor is there on Monday, Wednesday, and Friday afternoons.)

Emergency cases, of course, are received at any time.

3. If you visit patients in the infirmary, please observe the following visiting hours:

1:00 — 1:30 p. m.
4:00 — 5:30 p. m.
6:30 — 7:15 p. m.

Permission should be obtained from the nurse before visiting patients.

Ironing

1. All ironing must be done in the laundry rooms or other specified places. The ironing boards on each floor of the women's dormitories are for pressing only.

2. No ironing is to be done on Sunday, except emergency pressing between 7:00 and 9:00 a. m.

Laundering

1. All laundry must be done in the laundry rooms, except in emergency cases when small amounts of light laundry may be done in the bathrooms.

2. No laundering is to be done on Sunday.

3. Each dorm has its own regulations concerning the use of the Bendix machines.

Business Agents

1. Students must have permits from the Student Employment Office in order to solicit business in the dormitories.

Smoking

1. Any student found smoking in any of the dormitories (or elsewhere on the campus) will be subject to College discipline.

Emergency Drills

1. Each dormitory will participate in emergency drills, having its own organization and regulations.

Confiscation of Equipment

1. In the women's dormitories this is handled by the monitors and officers of the Women's Student Government Association, and in the men's dormitories by the Head of the Dormitory as follows:

   a. Any electrical equipment being used in dormitory contrary to regulations will be confiscated and placed in the office for the remainder of the semester.
   b. Radios in use after 11:00 p. m. will be confiscated and placed in the office for one month.

General

1. Possession of liquor bottles, public or private signs, or road markers is considered, for obvious reasons, a disciplinable offense.

2. Possession of firearms, pass-key, or key to any dormitory room other than one's own is forbidden.

3. Money and other valuables should not be left in the room.

4. Regulations imposed by civil law are in effect College regulations. For example, the possession or use of fireworks and the like in buildings and on the campus is violation of Tennessee law and therefore a disciplinable offence.

WOMEN'S DORMITORIES

Absence from the Dormitory

1. After 7:15 p. m. you must personally sign out and in on the sign-out sheet.

2. After attending any college function, return to the dormitory promptly (15 minutes is maximum time allowed).

Absence from Campus

1. Permission to attend off-campus functions must be made through arrangements with the Head of the Dormitory or the Dean of Women.

2. You must always sign out and in on the sign-out sheet.

3. You may go to Maryville or Knoxville any weekday providing you return to the campus before 6:00 p. m. Trips to Knoxville are not made in the company of men. (See WSGA Constitution. Article VII, By-Law No. 2, for Senior Privileges.)

4. If you wish to visit over the weekend or to be absent overnight from the campus, you will have to have written permission from your home or have had your parents previously sign the regular Standing Permissions form which allows you approximately five visits a semester other than to your own home. Approval for these visits must be obtained in advance from the Dormitory Head, and your plans must be discussed with her so that she can fill out your activity card properly.

5. When properly chaperoned and arranged, week-end camping trips are allowed; seniors and juniors may have two such trips a year, and sophomores and freshmen, one.

6. You may go to the College Woods in groups of two or more on weekdays and Sundays, but not in the company of men.

Monitors

1. Each student is required to serve as monitor, as arranged by the Student Government at least once each semester.

2. As monitor you must be present on your floor during the time you're on duty, seeing that the halls are kept quiet during study hours and that students are in their own rooms after 11:00 p. m. It's your job to check on proper use of lights and radios at night, to answer the buzzer, and to see that rules in general are obeyed. Violations are to be reported to the House Committee.

Telephoning

1. Local or long distance calls may be made and received any time between 6:00 a. m. and 11:00 p. m.

2. Outgoing calls, except to faculty and staff, must be made on the pay phones.

3. Incoming calls will be received on the office phone and transferred to the pay phone.

4. Everyone should limit calls to five minutes.

Summons Before House Committee

Students will be brought before the House Committee for the following reasons:

1. Ironing on Sunday other than at the specified time.

2. Using lights after 11:00 p. m. for purposes other than study.

4. Being in someone else's room after 11:00 p. m.

7. Violation of other dormitory regulations, undue disturbance, or consistent lack of co-operation.

Visiting

1. Men's visiting hours for student rooms in Carnegie and Bartlett are from 3:30 to 7:15 p. m. each day.

Disciplinary measures will be taken by the Executive Council of the Faculty or the Supervisor of Men's Residence for infractions of these rules:

OFF-CAMPUS MEN

Though you may have to room off-campus for a while you'll be able to get into the dorm after a semester or two. Till you do, remember that the same, if not better, behavior is expected of you in private homes than the dormitory heads would expect of you on campus.

1. Be considerate in your use of radio, lights, and leisure time.

2. For overnight absences, report to the Supervisor of Men's Residence in Carnegie Hall.

3. Men rooming off-campus, both local and out of town, may use washrooms in Bartlett, Thaw, and Carnegie, and the lounge room in the Student Center Building.

Dining Hall

Meals are served in Pearsons Dining Hall according to the following schedule:

Weekdays: 7:00 a. m., 12:30 p. m., 6:30 p. m.
Weekdays: 7:00 a. m., 12:30 p. m., 6:00 p. m.
Sundays: 8:00 a. m., 12:30 p. m., 5:30 p. m.

Your guests may eat in the dining room by arranging with the Dietitian. Meal prices are as follows:

Weekdays:
Breakfast, 25c; Lunch, 60c; Dinner, 60c.
Saturdays:
Breakfast, 25c; Dinner, 60c; Supper, 35c.
Sundays:
Breakfast, 25c; Dinner, 75c; Supper, 35c.

Your tablemates, all seven of them, will appreciate your appearing well-groomed and well-mannered at meals. Take time to freshen up a bit before meals, especially dinner. At the table acquire a bit of "polish" to your manners. After all, bad table manners are not considered cute, and it isn't difficult to say "please" and "thank you."

Try to make conversation table-wide, but remember loud and boisterous talking is in poor taste and is annoying to those at tables nearest yours.

Your waitress has classes and obligations too, so she will appreciate your consideration in getting to and from meals on time.

You will want to be attentive and reverent during the blessing.

Attendance ✦

1. Students are advised to keep a personal record of all absences.

2. Excuses for illness or other emergencies must be presented at the Personnel Office within two days after returning to class; otherwise, they will not be approved. You must notify the Head of the Dormitory immediately of any situation requiring your absence from classes, chapel, Sunday School, and Church. No excuses will be given unless you do this.

3. Absences will be authorized for approved college activities, such as scheduled trips for members of the debate squad, ball teams, etc.

4. Here is a list of cuts allowed from each class or service that may be taken on your own responsibility when you think necessary. Students on the honor roll (B average the preceding semester) are allowed one additional cut from each class.

Freshmen and Sophomores

Chapel	3
Sunday School or Church (total of)	3
1-credit hour class	1
2-credit hour class	1
3-credit hour class	2
4-credit hour class	2

Juniors and Seniors

Chapel	5
Sunday School or Church (total of)	6
1-credit hour class	1
2-credit hour class	2
3-credit hour class	3

The Personnel Office applies a penalty for each "over-cut" taken. Grade points and semester hours are deducted from your total according to the following:

1. For each "over-cut" one-half semester hour and one and one-half grade points will be deducted from the total credit.

2. For "cuts" within two days before and after a recess or holiday, one-half semester hour and one and one-half grade points will be deducted for each class missed.

3. For the Big Formal, or Spring Dance, different rules apply. This is a "program dance," and only couples are admitted. Girls dress formal; for fellows tuxedos are nice but not necessary—business suits are just as acceptable. Admission tickets and corsages are regulated in price by the Social Board. Your request for a non-student guest must be handled through the office of the Dean of Women.

Planning All-Campus Entertainment

1. Programs must be officially authorized and scheduled through the Faculty Committee on Scheduling of Activities (Curriculum Office).

2. Student programs are subject to preview by the Faculty Committee on Student Programs.

Planning Parties, Picnics, and Other Social Activities

1. You must secure approval from the Dean of Women's Office at least five days in advance.

2. If the function involves transportation, it must be by a conveyance on which personal insurance is carried on the passengers — this means buses, trains, or private cars.

2. No student who smokes is eligible for student-help work.

This permission is required whether or not parking space on the campus is desired; request should be made in writing through the Personnel Office.

2. Students living in Maryville who regularly use cars at the College must secure permit tags each year from the Director of Maintenance. Parking spaces will then be assigned to those who park regularly on the campus. (Faculty members also secure permits and parking assignments.)

3. Women students are not permitted to ride in automobiles with men without permission.

1. Girls never wear shorts on the campus except when engaged in active sports. Jeans and slacks are worn when the occasion calls for such dress—as hikes. sports, stage crew, etc.—but not in classes, dining hall, or to town.

W.S.G.A.

GREETINGS FROM YOUR WSGA PRESIDENT

Hello!

The two very best things about beginning a new year are meeting and getting to know new girls who come in, and greeting old students whom you haven't seen for a whole summer, and so I say "Hi!"

Although still considered rather new, Maryville's student government program has already become a tradition on the Hill. W.S.G.A. is a special part of this program for girls living in the dormitories. Through it, we have gotten many privileges which add to the pleasure of college. Privileges mean responsibilities, however, and for that reason W.S.G.A. becomes the responsibility of every individual girl.

I'm sure that we can make this year one of the most successful years yet, if we all realize that it takes cheerfulness, cooperation, and dependability on the part of every girl. By accepting these responsibilities we can make dormitory living one of the most pleasant aspects of college life, and one of our most cherished memories. Let's try.

Sincerely,
Carol Corbett,
Chairman W.S.G.A.

GREETINGS FROM YOUR Y. M. C. A. PRESIDENT

Hello Fellows,

The YMCA takes this opportunity to welcome you to our college. We are glad to have you with us, and in every way possible, we want to help you make your college careers a success.

Our work in the Y is rather extensive, entering into missions, radio, devotions, boys clubs, athletics, and various other things. We want you to find your place in some phase of our program, and become active members of Y. One of the best ways of adjusting to college life is to get into an organization in which you can find a place for personal satisfaction and for service to others. Y is that kind of an organization.

We are looking forward to having you with us, and we want to invite all of you to become members and friends in the work of the Y this year.

Sincerely,
George Ogle

Extra-Curricular

College is the place to learn selection and discrimination. Start using this principle when choosing your extra-curricular activities. You must not go to the extreme and join every club that comes your way. If you do, you'll soon find yourself all bogged down and your enthusiasm lost in social activities as well as studies.

During your freshman year pick one or two activities on which to concentrate your efforts. If your grades remain high and you find time for other activities, you'll have plenty of time to become a member of another club later in your college career. But remember that such activities as working on the Echo and debating take more time each year. Once you have joined a group try to stay with it through the rest of your college life. When you become a junior or senior you may find that you are forced to give up something, but the least you can do is not to substitute one club for another.

HONORARY FRATERNITIES

Pi Kappa Delta

Maryville has the distinction of having the Tennessee Alpha Chapter of the national honorary forensic fraternity, Pi Kappa Delta. Members of this organization are awarded orders and degrees according to rank and achievement. Maryville participates in the Pi Kappa Delta National and Provincial Conventions. Last year

the group won first place in men's debate at the Provincial Convention which was held in Athens, Georgia.

Theta Alpha Phi

Talented dramatic students may, upon meeting certain requirements for membership, be initiated into the Tennessee Delta Chapter of the national dramatic fraternity, Theta Alpha Phi. Members of this organization take a leading part in dramatic activities on the campus. All students have opportunity to try out for the plays given by various organizations.

Sigma Delta Psi

Maryville's chapter of Sigma Delta Psi was established in 1930. Membership is earned by meeting the requirements of various athletic tests in the presence of a responsible committee.

Alpha Gamma Sigma

Alpha Gamma Sigma was organized in the spring of 1934, for the purpose of motivating high scholarship among students. Its requirements are similar to those of Phi Beta Kappa. Ten percent of the graduating class may be admitted provided the members have a grade point ratio of 6.5 or somewhat more than a B average.

OTHER ORGANIZATIONS

Pi Gamma

Pi Gamma, sponsored by YW, is for the purpose of promoting fellowship and friendship between town and dormitory girls. The Pi Gamma girls have a luncheon every two weeks to which they usually invite an equal number of dorm girls. Friendships between town and dorm girls

are mutually advantageous and enjoyable. Some of the happiest memories of college can be the week-end that you as a dormitory girl spent in the home of a town friend or the time you as a town girl were invited to spend the night in the dorm. No girl should go through college without such an experience.

Student Volunteers

Student Vols is part of a national movement for students who wish to promote interest in the missionary enterprise. It is composed not only of students who are planning to go to the field, but also of all those who are in any way interested in missions. Regular meetings are held each Sunday night after Vespers, usually in Bartlett Hall. The weekly programs present interesting aspects of the work being done on both the foreign and home mission fields.

Parish Project

Through the program of the Parish Project, students participate in leadership training and Christian service. Under the supervision of the Department of Religion this organization is sponsored and supported jointly by the Board of National Missions, the Board of Christian Education, Maryville College, and New Providence Presbyterian Church. Limited college credit is given to Parish Project students who perform such duties as Church School teaching and administration, teaching weekday Bible classes in selected groups of public schools, and supervise young people's societies.

Ministerial Association

The Ministerial Association, organized in 1900, is open to all students who are planning to become ministers or who are interested in other

phases of the Christian service. In addition to its regular meetings twice a month the Association shares in planning with the other three religious organizations, YM, YW, and Student Vols, the campus prayer meeting and all other campus religious programs. Its members are encouraged to engage in some form of service in local mission and rural churches in the vicinity of Maryville.

Writer's Workshop

Literary interest and achievement are the basis for membership in Writer's Workshop. Members are elected from the junior and senior classes. Each member writes and presents to the group two papers each year for criticism and in turn serves as literary critic.

Muses

This arts committee, organized in the fall of 1949, is made up of students and faculty desirous of coordinating fine arts' activities. Its purpose is to provide occasional fine arts programs of general interest to faculty and students. It does not function as a club.

CLUBS

Bainonian

Varied activities and friendships highlight the program of Bainonian Society. First week after school starts this year, Bainonian will join her brother society Athenian to present a Rush Week program. Last year's theme for Rush Week was "Week of the Highland Fling." Weekly meetings through the year are held in Bainonian Hall.

Theta Epsilon

Organized in 1894, Theta Epsilon Society has played an active part in campus life. Last year Theta won the cup for giving the best skit in the Annual Skit Contest. The third week of school this year will find Theta and her brother society, Alpha Sigma presenting their Rush Week. Last year's theme for this important week was Billy Rose's Diamond Horseshoe.

Alpha Sigma

Alpha Sigma, founded in 1884, offers men of the college an opportunity to participate in activities that will build true friendships. It enters teams in all intramural sports, and holds annual weekend trips to the mountains, barbecues, banquets, and similar activities along with its weekly meetings which may be educational, cultural, or entertaining. Each year it joins its sister society Theta Epsilon in producing a dance and a rush week program.

Athenian

Lasting friendships are made in Athenian society, oldest society on the campus. College men appreciate a society that brings them a varied and interesting social program and also active participation in the College's intramural athletic program. Athenian joins Bainonian, its sister society, in its annual Rush Week program and holds weekly meetings in Bartlett Hall.

International Relations Club

Maryville's IRC club is affiliated internationally by its purpose and program with hundreds of other such clubs on college campuses through its relation to the Carnegie Endowment for International Peace. The club's main objective is

to spread interest and information on current affairs and international problems. It seeks to accomplish this purpose through forums, discussion groups, movies, and well-informed speakers at its semi-monthly meetings.

Pre-Med Club

To anyone who is planning to go into medicine or nursing the Pre-Med Club offers an excellent chance for hearing lectures on medicine and related fields from various prominent members of those professions. Often there are student participation programs or selected short movies. The club meets twice a month throughout both semesters and interest is the only prerequisite to membership.

French Club

The French Club is composed of thirty members who are taking advanced French and who qualify for membership by scholarship and interest. This club features semi-monthly programs of French songs, games, movies, plays, and holds an annual social affair.

German Club

All college students who are interested in German culture, regardless of whether or not they are German students, are eligible for membership in the German Club. Regular meetings are held twice a month to stimulate interest and arouse participation in different phases of German culture.

Spanish Club

Club members, elected from members of the Spanish classes, discuss the language, customs, and culture of Spanish-speaking countries. Besides the semi-monthly meetings the club has

annual outdoor picnic and Christmas party which features the Spanish pinata.

"M" Club

"M" Club is the girl's athletic club of Maryville College. Membership is attained by making a total of 400 or more points through participation in what is known as Women's Varsity. Besides meeting two hours a week in Women's Varsity the members meet monthly for business discussions and enjoy an athletic activity together. The high spot of the club's activities is the week-end hike in the Smoky Mountains once each semester.

Men's "M" Club

The Men's "M" Club was re-organized this past year after a lapse of a decade or so. Membership is open to all varsity lettermen, and male members of the coaching faculty. The purpose of the organization is to further the bonds of athletic brotherhood on the Maryville Campus, to be of service to the school and the athletic program, and to increase loyalty to the best interests of the College. A club room for members is the immediate project of the group.

Disc Club

Disc Club was organized in 1936 to encourage music appreciation. Its organization is very informal, and all students are automatically considered to be members. Half-hour programs of music with comments by student or faculty members are presented twice monthly after the evening meal.

Camera Club

This club has its own darkroom in Bartlett Hall which all its members may use. It holds meetings to discuss photography as a hobby and a profession. Organized in 1946, the club continues to grow and to develop its members' abilities.

Future Teachers of America

Jasper Converse Barnes Chapter of the Future Teachers of America was organized in the spring of 1949. All students planning to teach are eligible for membership in this club which is affiliated with the National Education Association. Last year this chapter grew from 13 to 51 members which entitled it to be called a Victory Chapter in the FTA Yearbook.

B. G.

This is a small club of eight campus girls who keep the meaning of their initials a secret. At the end of each year two freshmen and one sophomore are elected members. Originally organized for hiking, the club today is purely social .

High Society

Requirements for membership of this society are that one must be a female and five feet seven inches tall or taller. At the weekly meetings the club learns ballet, pantomine, and choreography. The society appears in various campus shows, such as Barnwarming and May Day.

STUDENT PUBLICATIONS

Opportunities for creative writing are offered through the various college publications. Many who are interested in journalism gain valuable experience by serving on the staff of the college newspaper, annual, or "M" Book.

Highland Echo

The Highland Echo is the weekly College newspaper. The Echo staff is chosen by competitive writing and is composed of members from all classes. The Editor and Business Manager are elected by the staff and are members of the junior or senior class. The Echo keeps the students well informed of College affairs and includes as well a bit of the world situation.

Chilhowean

The Chilhowean is the annual year-book which is published by members of the junior class. It gives a vivid account in pictures of the outstanding events of the year as well as individual pictures of almost all of the student body. The annual is one of the best means of remembering college friends and activities for many years to come.

Alumni Magazine

The Alumni Magazine sends news of the College and alumni to former students of the College. It is published quarterly by the Alumni Office.

"M" Book

As you have already discovered, the "M" Book is the little volume you are now reading. It is published every year by the YMCA and YWCA and is the official College handbook. College rules, customs, and activities are described within for the student's benefit.

Drama and Speech

Major Productions

Last year saw a great development in the drama department. For the first time since the chapel fire in 1947 all the major plays were presented on the campus. A stage was constructed so that it could be erected in the Alumni Gymnasium for the plays and taken down quickly after the productions.

Three outstanding types of plays were given last year. In the fall, the chilling murder mystery, "Laura" was presented. "Hedda Gabler" was produced in March, and "Joan of Lorraine" was the Commencement play.

Two of the major plays formerly produced by Societies were opened last year to try-outs from the entire student body.

Playhouse

Under the direction of the head of the drama department the Maryville College Playhouse was started in the fall of 1949. Last season there were 23 Players and 68 Apprentices working toward the position of Player.

Experimental Theatre

Besides the major plays the Experimental Theatre gives several one-act plays throughout the year. Some of those which were given last year in Bartlett Hall were "Gammer Gurton's Needle," "Theatre of the Soul," and "Echo."

Other Drama Programs

Saturday night programs often use dramatic talent, such as last year's "Babes in Toyland," sponsored by the Social Board, and the annual Easter play, sponsored jointly by YM and YW. Then there are always May Day and Rush Week, which need people with dramatic ability.

If you are interested in drama there will be a place for you at Maryville.

Debate

Maryville College has been noted for outstanding debate teams. Last year Maryville's varsity debaters won first place in the Smoky Mountain Tournament; in women's debate at Tennessee State Tournament; and in men's debate at Pi Kappa Delta Provincial Tournament; and third place in both men's and women's debate at South Atlantic Tournament.

Along with debating goes oratory, extempore, after-dinner, and other individual speaking contests. Maryville was awarded 4 out of the 9 individual first place trophies at the Tennessee State Tournament.

Freshmen are given an opportunity to participate in the speech program.

If you have debated in high school, you certainly will want to go out for college debate. However, if you have not debated before, don't let that stop you. Several who have had no previous experience get on the team every year.

Music Groups

For those with musical ability Maryville offers a variety of organizations where talents may be developed. The musical program for the year begins with the performance of the marching band at the football games and ends with the choir's final anthem on graduation day. Recitals, which anyone may attend, are given from time to time by applied music students and faculty.

Vesper Choir

The Vesper Choir provides good training and real pleasure for those who are interested in singing. It is composed of about sixty members who must pass rigid try-outs before they are accepted. The group participates in the weekly Vesper services and the daily Chapel programs and also presents special programs in Maryville and surrounding cities.

All Girl Choir

The fifty girls who compose this group are selected through tryouts each semester. They relieve the Vesper Choir at the Sunday evening service a number of times throughout the year. In the spring the Girls' Choir combines with the Men's Glee Club to present "Springtime Serenade."

Men's Glee Club

This group consists of about forty boys, but additional members may come in via tryouts

each semester. In the spring the fellows and girls present one of the outstanding programs of the year. It consists of popular and semi-classical numbers from well-known musicals.

Band

Those students who enjoy playing a musical instrument are urged to try out for the college marching band. The band, numbering about fifty pieces, plays for all the home football games and takes one out-of-town trip with the team. For sophomores the marching practice takes the place of the physical education requirement. When football season is over, the marching band reorganizes as a concert band which gives an outdoor concert during the last few days before commencement.

Orchestra

Orchestra members are admitted and placed by tryouts each fall. They gain valuable experience in presenting two concerts of classical numbers annually and accompaning the Messiah. Their spring concert features an outstanding music student playing a well-known concerto.

Tau Kappa Chi

This is a musical organization for the women of the College who are either music majors or interested applied music students. Its purpose is to promote student and community interest in music. The aims are to raise the general accademic standard of the music department; to provide a goal for all students interested in music; and to promote thoroughly trained musicianship and further the understanding of all types of music.

Sports

You can have an orange "M" to wear on your sweater by participating in varsity sports. No one is permitted to wear other school sweaters at Maryville. If you want to wear a letter, there is opportunity. Both women and men may earn an "M."

Maryville Athletic Policy

One must develop physically as well as mentally and morally. For that reason Maryville places emphasis on all kinds of athletics. Besides intercollegiate athletics the College sponsors an intramural program.

Maryville does not buy her athletes. Those who participate in intercollegiate sports earn their places on the teams by physical abilities and acceptable scholarship.

Athletic Association

All students and faculty of Maryville College belong to the Athletic Association. This organization works with the Department of Athletics to help further the development of that field. Each spring a president, vice-president, secretary, three boys, two girls, and two faculty representatives are elected to the Executive Board which acts for the Association. The Director of Athletics is an ex-offico member of the Board. This Board elects managers for athletic teams, makes awards to members and managers of men's teams, to members of Women's Varsity, and to the cheerleaders.

Intercollegiate Athletics

Maryville is known for her strength in minor sports. She competes with the best colleges and universities in the field. Last year Maryville placed high in wrestling in the Southeastern AAU Tournament. The cross-country team came through the season with an excellent record.

In major sports Maryville holds her own with colleges of the same size. She has good records in football, basketball, and baseball. Despite the great loss with the graduating of many G. I.'s last year, Maryville expects to have strong teams this year in the major sports.

Let's all get behind our teams and support them, win or lose, because school spirit is part of Maryville's athletic program too.

Women's Varsity

As most colleges, Maryville no longer offers a women's intercollegiate program. Instead there has been substituted Women's Varsity. Participation in various sports qualifies a girl for a specific number of points. Every girl who makes 500 points earns a sweater with a "M" on it, those earning 400 points receive a "M", and to those who earn 300 points there is given an "MC" monogram. All women earning 400 or more points may become members of the "M" Club.

Girls participating in this program must swim twice a month, obey the health rules, and ex-

ercise daily for an hour. Those who play basketball, soccer, softball, or volleyball can earn 30 points for each team they are on and 20 points for each squad. Taking part in swimming, track, tennis, hiking, or aerial darts can entitle a girl to the maximum of 50 points. Additional points are awarded for sportsmanship, perfect attendance, and captain or manager of a team.

Intramurals

Every man and woman has a chance to participate in non-varsity sports through the intramural program which develops good character as well as physical fitness. Both men and women have a similar system and organization. The fellows participate in touch football, soccer, volleyball, basketball, swimming, wrestling, track, and softball. The girls take part in soccer, volleyball, basketball, swimming, tennis, and softball. This program includes two hours a week of regular physical education required of freshmen and sophomores. Although not required of juniors and seniors, many upper classmen take active part in the fun and recreation which these sports provide.
